"Thank you for your prayerful support, that was very evident in the impact of the program on the participants, and on the team of volunteers – we were very aware of being upheld by the prayers of the Rosefield community. Thank you also that Rosefield facilities could be used for the team formation / training sessions over the preceding 2 months." *Jean & Scott Hutchinson.*

**Operation Christmas Child 2019 - the Power of a Simple Gift**

Operation Christmas Child is up and running and we are again seeking your support. OCC is a unique project of Samaritan's Purse that brings joy and hope to children in desperate situations around the world through gift-filled shoe boxes. It provides an opportunity for people of all ages to be involved in a simple but hands-on project that has the power to transform children's lives by giving hope to children caught in the midst of war, famine, natural disaster and extreme poverty. Shoe boxes are available from the church foyer or office or you are welcome to use your own (maximum size 18x30x13cm). Please make sure to collect a brochure with your box, as it is very important to observe the packing instructions. It is requested that a \$10.00 donation be included to cover the cost of shipping. If you would like to be involved in the project but do not feel you are able to pack a complete shoe box, donations of either items to place in a box are very welcome, or you may wish make a cash contribution to assist with the cost of shipping the boxes and to help off-set the cost of producing the pre-printed boxes supplied to us - donations may be handed to Phil in the office. Boxes must be returned to the office by **Sunday 27th October.**

**WIDER COMMUNITY**

**BaptistCare SA is running one of their several Connections workshops**, funded by NDIS, at Malvern Uniting Church on the afternoon of Sunday 20th October from 2.00pm to 4.00pm.

The focus is on enhancing our understanding of some of the barriers we inadvertently place in the way of being a truly inclusive church and the ways we can minimise these restrictions. The workshop is for both those who know the restrictions and those who wish to help remove them. You will notice the attention given to mental health support and caring for the carer.

Those interested in attending can respond in one of four ways;
