<div>Operation Christmas Child 2019 - the Power of a Simple Gift</div> <div>Operation Christmas Child is up and running and we are again seeking your support. OCC is a unique project of Samaritan's Purse that brings joy and hope to children in desperate situations around the world through gift-filled shoe boxes. It provides an opportunity for people of all ages to be involved in a simple but hands-on project that has the power to transform children's lives by giving hope to children caught in the midst of war, famine, natural disaster and extreme poverty. Shoe boxes are available from the church foyer or office or you are welcome to use your own (maximum size 18x30x13cm). Please make sure to collect a brochure with your box, as it is very important to observe the packing instructions. It is requested that a \$10.00 donation be included to cover the cost of shipping. If you would like to be involved in the project but do not feel you are able to pack a complete shoe box, donations of either items to place in a box are very welcome, or you may wish make a cash contribution to assist with the cost of shipping the boxes and to help off-set the cost of producing the pre-printed boxes supplied to us - donations may be handed to Phil in the office. Boxes must be returned to the office by Sunday 27th October</div>			

Garden Group, for your diary... Our October outing will be to Warrawong Wildlife Sanctuary, where we will attend the animal feeding, then have a guided tour focussing on the plantings which support the animals. And of course, we will see all the animals in their natural environment. Save the date: **25th October, 10am-2pm.**

Kairos Torch Program:

Jean and Scott Hutchinson wish to acknowledge the support of the Rosefield congregation for the Kairos Torch Program that was held at the Adelaide Youth Training Centre this past week. "Thank you for your prayerful support, that was very evident in the impact of the program on the participants, and on the team of volunteers – we were very aware of being upheld by the prayers of the Rosefield community. Thank you also that Rosefield facilities could be used for the team formation / training sessions over the preceding 2 months." *Jean & Scott Hutchinson.*

Your Invitation

You are encouraged to consider attending the upcoming three-day conference organised by The Centre for Music, Liturgy and the Arts, entitled
"Conversations and Explorations with Friends by the Sea"
Worship in the 21st century
On the 8th to 10th October 2019
At St Andrews By The Sea Uniting Church, Jetty Road, Glenelg
The schedules for each day are on the Rosefield foyer notice board.

As we transition from 2 to 1 morning service, and in the light of the recently accepted Mission Objectives, attendance at this conference enables you to be exposed to hearing from world class leaders about Worship in the 21st century

For full details of the Conference, including starting times each day, please refer to the website

<https://www.cmla.org.au/events/conversations-and-explorations>

A generous donation has been received to cover the costs of "unlimited congregation participation", so there will be no charge for persons attending from the Rosefield Community, either for the total or part of the conference.

We encourage you to take advantage of this great opportunity.

*Please RSVP to **Marj Stewart by this Sunday morning (6 October) 2019** if you wish to attend. Please also advise if you would like to participate in a carpool from Rosefield and return each day, as all-day parking near the venue may be a bit costly.*
